## INFORMATION DISCLOSURE STATEMENT

MAIL STOP Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450

## Dear Sir:

In accordance with 37 C.F.R. §§ 1.56, 1.97, 1.98 and MPEP § 609, applicant(s) submit(s) the following Disclosure Statement concerning art of which the applicant(s) is (are) aware. A copy of PTO-1449 is enclosed herewith.

This Information Disclosure Statement should not be construed to be an admission that any information referred to herein or submitted herewith is "prior art" or is considered to be material to patentability for this invention.

The United States Patent and Trademark Office OG Notice dated 12 October 2004 published a final rule revising 37 C.F.R. 1.98 dealing with the content of Disclosure Statements. Paragraph (a)(2) was revised to read in part, "A legible copy of: (i) Each foreign patent; (ii) Each publication or that portion which caused it to be listed, other than U.S. patents and U.S. patent application publications unless required by the

patents and published patent applications with this Information Disclosure Statement. In accordance with 37 C.F.R. §1.97(g) and (h), the filing of this Information Disclosure Statement should not be construed to mean that a search has been made or that no other material information as defined in 37 C.F.R. §1.56(b) exists. Under § 1.98(a)(3), a concise explanation of relevance is required for  $\boxtimes$ information that is not in the English language. Accordingly, the English language documents have no further explanation. Patent -All of the cited and/or included documents were cited by the Office in a related application(s). A copy of the Search Report is enclosed. Consideration of the appropriate paragraph(s) indicated below is respectfully requested: WITHIN THREE MONTHS OF FILING: Under § 1.97(b)(1), this  $\boxtimes$ Information Disclosure Statement is being filed within three months of the filing date of the application (or date of entry of the national stage). Although it is believed no fee is necessary, any deficiency in fees should be handled as set forth below. BEFORE FIRST OFFICE ACTION: Under § 1.97(b)(3), this Information Disclosure Statement is being filed before the mailing date of a first Office Action on the merits. Although it is believed no fee is necessary, any deficiency in fees should be handled as set forth below. BEFORE FINAL ACTION, OR NOTICE OF ALLOWANCE, OR ACTION THAT CLOSES PROSECUTION/WITH STATEMENT: Under § 1.97(c)(1), this information shall be considered if filed before the mailing date of a final action, or a Notice of Allowance or action that otherwise closes prosecution in the application if accompanied by the statement: Under § 1.97(e)(1), the undersigned states: that each item of information contained in the Information Disclosure Statement was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of the Information Disclosure Statement; or

Therefore, Applicant(s) has (have) not enclosed copies of the cited U.S.

Office."

	counter certific the In	B. that no item of information contained in the Information Disclosure ment was cited in a communication from a foreign patent office in a erpart foreign application, and to the knowledge of the person signing the cation after making reasonable inquiry, no item of information contained in formation Disclosure Statement was known to any individual designated in (c) more than three months prior to the filing of the Information Disclosure ment.
		BEFORE FINAL ACTION, OR NOTICE OF ALLOWANCE, OR ACTION
THAT	CLOS	SES PROSECUTION/WITH FEE: Under § 1.97(c)(2), this information shall
be cor	nsidere	ed if filed before the mailing date of a final action if accompanied by a fee in
the a	mount	of \$180.00 as required by §1.17(p). Accordingly, the necessary fee
accon	npanie	s this Information Disclosure Statement, as set forth below.
		AFTER FINAL ACTION, OR NOTICE OF ALLOWANCE, OR ACTION
THAT	CLOS	SES PROSECUTION/AND ON OR BEFORE PAYMENT OF THE ISSUE
FEE:		
	1.	Under § 1.97(e)(1), the undersigned states:
	office	A. that each item of information contained in the Information osure Statement was first cited in any communication from a foreign patent in a counterpart foreign application not more than three months prior to the of the Information Disclosure Statement; or
	in a contract the	B. that no item of information contained in the Information osure Statement was cited in a communication from a foreign patent office counterpart foreign application, and, to the knowledge of the person signing ertification after making reasonable inquiry, no item of information contained information Disclosure Statement was known to any individual designated 56(c) more than three months prior to the filing of the Information Disclosure ment; and
		the fee in the amount of \$180.00 as required by §1.17(p). rdingly, the necessary fee accompanies this Information Disclosure ement, as set forth below.
		PRIORITY CLAIM: The attached PTO 1449 Form includes all patents,
public	cations	, or other information previously cited by or submitted to the Office in one or
more	prior a	applications from which the present application claims priority. These one or
more	prior	applications are identified in the papers accompanying the filing of this
annlic	cation.	

Any payment due for the filing of this Information Disclosure Statement is authorized to be charged to a Credit Card. The appropriate form PTO-2038 is enclosed for this purpose. If the Credit Card is unable to be charged, please charge any and all fees or credit any overpayment to Deposit Account No. 06-0308.

It is respectfully requested that the attached document(s) be considered and officially cited in examination of this application.

Respectfully submitted,
